

A New Beginning

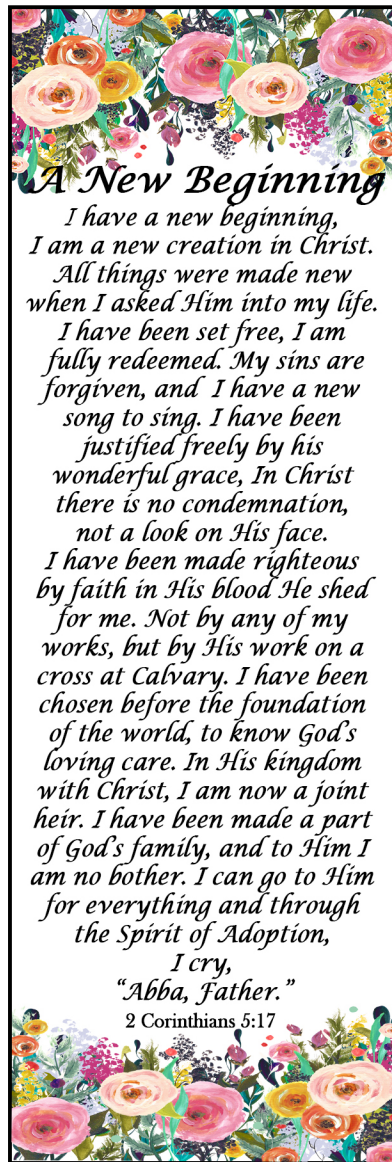

*I have a new beginning,
I am a new creation in Christ.
All things were made new
when I asked Him into my life.*

*I have been set free, I am
fully redeemed. My sins are
forgiven, and I have a new
song to sing. I have been
justified freely by his
wonderful grace, In Christ
there is no condemnation,
not a look on His face.*

*I have been made righteous
by faith in His blood He shed
for me. Not by any of my
works, but by His work on a
cross at Calvary. I have been
chosen before the foundation
of the world, to know God's
loving care. In His kingdom
with Christ, I am now a joint
heir. I have been made a part
of God's family, and to Him I
am no bother. I can go to Him
for everything and through
the Spirit of Adoption,*

*I cry,
"Abba, Father."*
