

A New Beginning

*I have a new beginning,
I'm a new creation in Christ.
All things were made new
when I asked Him into my life.*

*I have been set free.
I am fully redeemed.
My sins are forgiven,
and I have a new song to sing.
I have been justified freely
by his wonderful grace.*

*In Christ there is no condemnation,
not a look on His face.*

*I have been made righteous by faith
in His blood He shed for me.*

*Not by any of my works,
but by His work on a cross at Calvary.*

*I have been chosen before
the foundation of the world,
to know God's loving care.*

*In His kingdom with Christ,
I am now a joint heir.*

*I have been made a part of God's family,
and to Him I am no bother.*

*I can go to Him for everything and
through the Spirit of Adoption,*

*I cry,
"Abba, Father."*
