

KEEPER OF THE PEACE

*Whether day or night, you are always on duty,
Our reminder of a law unseen.*

*You have sworn to defend our Constitution,
Risking your life, protecting what you believe!*

*May God bless you in every hazard you face.
You stand tall and never waiver.*

*In blazes of blue lights, you come to our rescue,
Rewriting happy endings in tragic stories of danger!*

*Without you, chaos would have its way.
From fear, there would be no relief!*

*You are God's Defenders,
Living to protect and serve, born to be our...
Keeper of the Peace!*
